

In the judgment of the undersigned, portions of the documents cited in form PTO-FB-A820 may be material to the present application, however, the filing of this Information Disclosure Statement shall not be construed to be an admission that the documents cited are, or are considered to be, material with regard to patentability as defined in 37 C.F.R. § 1.56(b). The documents have not been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative importance of any portion of the documents. This statement is not a representation that the listed documents have an effective date early enough to be "prior art" within the meaning of 35 U.S.C. § 102 or § 103.

As this Information Disclosure Statement is being filed before the mailing of a first Office Action on the merits, Applicants believe that no fee is due pursuant to 37 C.F.R. § 1.97(b)(3). However, to the extent a fee is necessary, please apply any charges or credits to Deposit Account No. 16-1445.

Respectfully submitted,

Date: January 18, 2005
